

FELTING CLASS

With Elizabeth Guerin

Elizabeth has been involved in fiber arts since the early 80s with spinning, knitting, crocheting, and both wet and needle felting. In addition to her dairy goat herd, she has had a small flock of Merino and Shetland sheep.

This felting class is limited to the first 12 people to sign up the day of the event and has a cost of \$10.00 per person. It includes a kit with felting needles, wool, work surface and instructions. The kit is reusable for future projects.
